

Silent Sky - Preliminary Projection Cue/Effects  
Utah Shakespeare, Anes Theatre 2024. Joe Payne, Designer

PG#	Cue#	Label	Note
9		preshow - sky -	
9		shifting sky - almost timelapse - in Henrietta's world	
9		night - simpler	
9		first star -	
9		star	
9		day - church - strong light source -	
9		little shift - back to real world with hearing aid	
10		physical letter - not projected	
13		possibly wall texture - or wood detail	
13		Henrietta stays onstage - world changes around her.	
13		entering room is upstage right between screens	
14		into audience	
16		first star plate -	
20		lets try both ideas - marks and no marks	
21		subtle shift in world	
21		letter	
21		sky fills in swatches - projected letter - downstage	
22		passage of time - marked stars	
22		show scratch above?	
23		another passage of time	
23		another letter - projected downstage	
27		world begins to shift	
27		this is first letter from Henrietta - should feel different than received letters	
31		stars again -	
31		time of day changes -	
35		ocean liner - night - stars blaze - magical and memory -	
35		downstage -	
35		back to room ??	
36		Henrietta home	
38		world begins to shift	
38		ship - Peter letter through scrim -	
39		transition	
39		transition completes	
40		stars begin to fade in	
41		blinking -	
41		more blinking to music	
41		Letter - and shifting stars	
42		largest stars take the longest to blink	
42		more	
42		lots of stars	
42		lots - awesome-	
42		blackout but for stars	

Silent Sky - Preliminary Projection Cue/Effects  
Utah Shakespeare, Anes Theatre 2024. Joe Payne, Designer

43	another - downstage - portion	
43	oceanliner dissolves	
44	harvard observatory	
46	practical - not projected abstract	
47	in Aisle - far downstage Right - she is upstage - maybe back of lecture hall?	
48	back of lecture hall??	
49	transition	
50	cleared space - ocean liner and letter -	
50	home? dock??	
52	stars twinkling in transitions -	
53	transition	
53	new or different space - this is back wall of bookshelf	
53	bookshelf acts as upstage wall - chair further down	
54	anything in sky??	
58	eneergy shift	
61	room falls away	
61	Boom - stars everywhere	
61	grow	
61	grow	
61	grow	
61	oceanliner - subtler	
61	becomes sparkle	
61	add rays of light	
62	even bigger - all over the theatre - color - nebula	
62	more	
62	blinking	
62	blackout- but stars everywhere
